PROFESSIONAL SUMMARY

Detail-oriented Computer Science undergraduate with hands-on experience in Data Analytics, Python, SQL, Power BI, and Tableau. Completed internships in business intelligence, automation, and data analytics, developing dashboards, reports, and data-driven solutions. Skilled in data visualization, problem-solving, and transforming raw data into meaningful insights. Passionate about leveraging technology to support business decision-making and continuous learning.

PROFESSIONAL EXPERIENCE

ELGi Equipments Limited

Nov 2025 – Feb 2026 | Coimbatore, India

- Business Intelligence Development:** Designed and implemented interactive Power BI dashboards to monitor business performance, operational metrics, and key performance indicators (KPIs).
- Workflow Automation:** Developed automated business processes using Microsoft Power Apps and Power Automate, reducing manual effort and improving process efficiency.
- Data Management & Reporting:** Performed data cleaning, transformation, and validation to ensure accurate reporting and reliable business insights.

Accent Techno Soft (ATS)

May 2026 – Jun 2026 | Coimbatore, India

- Data Preparation & Processing:** Utilized Python libraries including Pandas and NumPy for data cleaning, preprocessing, and transformation of structured datasets.
- Exploratory Data Analysis (EDA):** Conducted statistical analysis and trend identification to uncover patterns and meaningful insights from data.
- Data Visualization & Reporting:** Created visual reports and charts to effectively communicate analytical findings and support business understanding.

PROJECTS

Smart Inventory Management System

- Developed a web-based inventory management application using Streamlit and SQLite.
- Built inventory tracking, stock management, and reporting functionalities.
- Created interactive dashboards using Pandas and Plotly for data visualization.

Business Performance Dashboard

- Designed interactive Power BI dashboards with KPIs, charts, and slicers.
- Applied data transformation and visualization techniques to generate business insights.

EDUCATION

Bachelor of Science (B.Sc.) in Computer Science

2024 – Present

PSGR Krishnammal College for Women (Expected Graduation: May 2027)

Coimbatore, India

TECHNICAL EXPERTISE & CERTIFICATIONS

Core Programming:	Python (Pandas, NumPy), SQL
Data Visualization:	Power BI (DAX, Dashboard Development), Tableau
Analytics Tools:	Microsoft Excel (Pivot Tables, VLOOKUP, Data Analysis)
Automation Tools:	Microsoft Power Apps, Microsoft Power Automate

Certifications:

- Python Programming (Spoken Tutorial)
- Data Visualization with Tableau
- Power BI
- Java Programming
- Introduction to Artificial Intelligence

LANGUAGES

- **Tamil** – Native or Bilingual Proficiency
- **English** – Professional Working Proficiency (Fluent)
- **Hindi** – Intermediate Proficiency
- **French** – Basic Proficiency
